Subject: NERL Extracts
[NERL Extractions.xlsx](#)
<http://www.neptuneandco.com>

Steve,

The extractions on 5/21 and 6/1 are a second extraction for of a number of samples. See the attached spreadsheet, but the final report does not indicate which extraction day the data were reported from. If all data is from the first extraction, then they would have meet the 30 day holding time.

Dave
